

Unite! Cobb and Local School Mentoring

Cobb Mentoring Matters

Unite! Cobb wants to be a catalyst for building a culture of mentoring in our county. We are excited that our school system is championing one-to-one mentoring in our schools through the recently formed **Cobb Mentoring Matters** initiative. Learn more about how you and your church members can partner with **CM2** to meet the need for mentoring in the lives of young people in your community by going to: www.cobbmentoringmatters.org.

Teach One to Lead One

Several schools have witnessed the impact of group mentoring in the lives of their students. **Teach One to Lead One** is a team mentoring program that enables you to build character and leadership skills in young people with a spirit of adventure and celebration. **T1L1** partners with local churches to meet the mentoring need in local schools and provides everything you need to get started. Kids Hope USA

Three Unite! Cobb churches are meeting the mentoring need in their neighborhood's elementary schools by partnering with **Kids Hope USA**. Through the creation of church-school partnerships, **KHUSA** pairs church members with at-risk kids in supportive, mentoring relationships.
